Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms, definitions and symbols 1
3.1 Terms and definitions 1
3.2 Symbols 2

4 Principle 2

5 Apparatus 2

6 Specimens 3
6.1 Number of specimens 3
6.2 Conditioning 3
6.3 Preparation of specimens 3

7 Testing procedure 5

8 Test report 6

Annex A (informative) Determination of thickness ratio (h1/h2) for CFRTP/Al adhesive joint specimen 8
