Foreword 4

1 Scope 5

2 Normative references 5

3 Terms, definitions and symbols 5
3.1 Terms and definitions 5
3.2 Symbols 6

4 Design and manufacture 6
4.1 General 6
4.2 Functional requirements 7
4.2.1 Operating requirements 7
4.2.2 Characteristics of weighing valves 7
4.2.3 Mechanical requirements 9
4.2.4 Leakage 9
4.3 Vibrations and shock 9
4.4 Environment 10
4.4.1 General 10
4.4.2 Temperature 10
4.4.3 Other environmental conditions 10
4.5 Compressed air quality 12
4.6 Service life 12
4.7 Fire behaviour 13
4.8 External appearance 13
4.9 Design requirements regarding pressure stress 13
4.10 Interfaces 13
4.10.1 Mechanical 13
4.10.2 Pneumatic 13

5 Materials 13

6 Type tests 13
6.1 General 13
6.2 Individual automatic variable load sensing device type tests 14
6.2.1 Test bench for individual automatic variable load sensing devices type tests 14
6.2.2 Sampling for type test 15
6.2.3 Test requirements 15
6.2.4 Check of physical and geometrical characteristics 16
6.2.5 Leakage 16
6.2.6 Characteristic, hysteresis 17
6.2.7 Operation at extreme temperatures 18
6.2.8 Vibration and shock tests 20

7 Routine tests (serial tests) and inspection 21
7.1 General 21
7.2 Check of characteristic 21
7.2.1 Procedure 21
7.2.2 Pass/fail criteria 22

8 Type validation 22

9 Documentation 22

10 Designation 22

11 Identification and marking 23

Annex A (informative) Assessment of an automatic variable load sensing device when fitted to a vehicle 24

A.1 Vehicle assessment - Testing set up 24
A.2 Design acceptance testing set up 24
A.3 Running tests 24
A.3.1 General 24
A.3.2 Pneumatic automatic variable load sensing device - Air consumption 24
A.3.3 Automatic variable load sensing device - Output signal variation 25

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 96/48/EC, as amended by Directive 2004/50/EC 26

Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2001/16/EC, as amended by EU Directive 2004/50/EC 27
