ISO 7299-2:2021 (E)

Diesel engines — End-mounting flanges for pumps — Part 2: High-pressure supply pumps for common rail fuel injection systems

Contents

Foreword

Introduction

1 Scope

2 Normative references

3 Terms and definitions

4 Dimensions and tolerances

4.1 General
4.2 High-pressure supply pumps
4.2.1 Type 1 end-mounting flange
4.2.2 Type 2 end-mounting flange (with tang drive)
4.2.3 Type 3 end-mounting flange
4.2.4 Type 4 end-mounting flange
4.2.5 Type 5 end-mounting flange (with tang drive)
4.2.6 Type 6 end-mounting flange
4.2.7 Type 7 end-mounting flange
4.2.8 Type 8 end-mounting flange
4.2.9 Type 9 end-mounting flange
4.2.10 Type 10 end-mounting flange
