Forewords 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Principle 5

5 Reagents 5

6 Apparatus 6

7 Sampling 8

8 Preparation of test sample 8
8.1 Whole, partially skimmed or skimmed liquid milk 8
8.2 Hard, semi-hard and processed cheese 8
8.3 Dried milk and dried milk products 8

9 Procedures 9
9.1 Traditional method 9
9.2 Block digestion method 10
9.3 Blank test 12
9.4 Recovery tests 13

10 Calculation and expression of results 14
10.1 Calculation 14
10.2 Expression of results 15

11 Precision 16
11.1 Interlaboratory tests 16
11.2 Liquid milk, whole milk and skimmed milk 16
11.3 Hard, semi-hard and processed cheese 17
11.4 Dried milk and dried milk products 17

12 Test report 17

Annex A (informative) Test portion 18

Annex B (informative) Collaborative trials 19
