Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 8

4 List of significant hazards 9

5 Safety requirements and/or safety measures 12
5.1 General requirements 12
5.2 Design to facilitate handling 13
5.3 Towing devices 13
5.4 Fluid power systems 13
5.5 Electrical equipment 15
5.6 Vehicles powered by diesel engine 18
5.7 Fuel systems 18
5.8 Lighting 19
5.9 Warning devices and safety signs 19
5.10 Braking 20
5.11 Control systems and devices 22
5.12 Driver and passengers position 24
5.13 Fire protection 25
5.14 Noise 26
5.15 Radiation 26
5.16 Stability 27
5.17 Maintenance 27

6 Verification of safety requirements 27

7 Information for use 28
7.1 Instruction handbook 28
7.2 Marking 32
7.3 Warnings 32

Annex A (normative) Brake testing 34

A.1 Test conditions 34
A.2 Performance of tests 35

Annex B (normative) Verification data for safety requirements 38

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC 45
