DIN EN 14756:2007-02 (E)

Determination of the limiting oxygen concentration (LOC) for flammable gases and vapours

Contents

Page

Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Test apparatus 7

5 Reagents and materials 8

6 Test method 8
6.1 Principle 8
6.2 Procedures 8
6.2.1 General 8
6.2.2 Short procedure 9
6.2.3 Extended procedure 11
6.3 Oxygen analysis 12

7 Verification of the test apparatus 12

8 Safety precautions 12

9 Test report 12

Annex A (informative) Examples of the determination of the LOC 13

A.1 Example 1: Determination of the LOC - short procedure 13
A.2 Example 2: Determination of the LOC - extended procedure 14

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 94/9/EC 15

Bibliography 16
