Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Designation 6

4 Materials 6

5 Mechanical properties 7

6 Testing 7
6.1 Hardness testing 7
6.2 Test of surface condition (surface integrity) 7

7 Marking 7
7.1 Marking of hardness class 7
7.2 Marking of nuts with left-hand thread 7
