Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 2

4 Conformance 2

5 Syntax service directories 2
5.1 Service segment directory 2
5.1.1 Service segment specification legend 2
5.1.2 Dependency note identifiers 3
5.1.3 Index of service segments by tag 3
5.1.4 Index of service segments by name 4
5.1.5 Service segment specifications 6
5.2 Service composite data element directory 27
5.2.1 Service composite data element specification legend 27
5.2.2 Dependency note identifiers 27
5.2.3 Index of service composite data elements by tag 28
5.2.4 Index of service composite data elements by name 29
5.2.5 Service composite data element specifications 30
5.3 Service simple data element directory 37
5.3.1 General 37
5.3.2 Service simple data element specification legend 37
5.3.3 Index of service simple data elements by tag 38
5.3.4 Index of service simple data elements by name 41
5.3.5 Service simple data element specifications 44

6 Syntax service code list directory 61

Annex A (informative) Overview of the syntax service code list directory 62
