Introduction 4

1 Scope 5

2 Normative references 6

3 Terms and definitions 7

4 Symbols and abbreviated terms 10

5 Material 11

6 General characteristics -- Appearance 13

7 Geometrical characteristics 13

8 Mechanical characteristics 14

9 Physical characteristics 15

10 Chemical characteristics 15

11 Electrical characteristics 15

12 Performance requirements 15

13 Classification of components 16

14 Design of a thermoplastics piping system for industrial applications 16

15 Installation of piping systems 17

16 Declaration of compliance with this International Standard 17

17 Marking 17

18 Manufacture 19

Annex A (informative) Specific characteristics and requirements for industrial piping systems made from poly(vinylidene fluoride) (PVDF) 20

Annex ZA (informative) Relationship between this International Standard and the Essential Requirements of EU Directive 97/23/EC (PED) 38
