DIN EN 14700:2014-07 (E)

Welding consumables - Welding consumables for hard-facing

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Classification 4

4 Symbols and requirements 5
4.1 Symbol for the product form 5
4.2 Symbol for the chemical composition 5
4.3 Designation of the typical composition 5
4.4 Symbol for the range of hardness 7
4.5 Symbol for the auxiliary material 7

5 Alloy types, form of supply, requirements and applications 7

6 Chemical composition 7

7 Rounding off procedure 7

8 Retest 8

9 Technical delivery conditions 8

10 Designation 8

Annex A (informative) Application and supply forms 9
