ISO 15609-2:2001-09 (E)

Specification and qualification of welding procedures for metallic materials_- Welding procedure specification_- Part_2: Gas welding

Contents

page

Foreword ..... **v**

1 Scope **1**

2 Normative references **1**

3 Terms and definitions **1**

4 Technical contents of Welding Procedure Specification (WPS) **1**
4.1 General **1**
4.2 Information related to the manufacturer **2**
4.3 Information related to the parent material **2**
4.4 Information common to all welding procedures **2**

Annex A (informative) **Manufacturer's Welding Procedure Specification (WPS)** **4**
