Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1
3.1 General 2
3.2 Installation 5

4 Abbreviated terms 5

5 General 6

6 Requirements 7
6.1 Cleanroom requirements 7
6.2 Other requirements 9
6.3 Documentation 9

7 Design 9
7.1 General 9
7.2 Conceptual design 10
7.3 Basic design 10
7.4 Detailed design 11
7.5 Change management 11

8 Construction 12
8.1 General 12
8.2 Construction plan 12
8.2.1 General 12
8.2.2 Schedule 12
8.2.3 Quality plan 12
8.2.4 Clean build protocol 12
8.3 Construction verification 13
8.4 Documentation 13

9 Start-up 13
9.1 General 13
9.2 Commissioning 14
9.2.1 General 14
9.2.2 Setting to work 14
9.2.3 Functional and performance verifications 14
9.3 Training 14
9.4 Handover 14
9.5 Documentation 14
9.5.1 Commissioning documentation 14
9.5.2 Performance-monitoring instructions 15
9.5.3 Maintenance instructions 15
9.5.4 Maintenance record 15

9.5.5 Record of training 15

Annex A (informative) Guidance on requirements 16

Annex B (informative) Guidance on design 24

Annex C (informative) Guidance on construction 45

Annex D (informative) Guidance on start-up 51
