Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Area of application 6
4.1 Screens and displays 6
4.2 Supporting documentation 6
4.3 International Standards 6

5 Principles of implementation 6
5.1 General usage 6
5.2 Types of icons 7
5.3 Relationship between graphical symbols and icons 7
5.4 Colour 7

6 Constructing icons 8
6.1 General 8
6.2 Cell sizes 8
6.3 Location of graphical image in cell 9
6.4 Line drawing 9
6.5 Creating alternative versions of resolution/implementation 10
6.6 Filled areas 11
6.7 Distinguishability 11
6.8 Representation of arrows 11
6.9 Composite icons 12

7 Icon behaviours 14
7.1 General 14
7.2 Status indication 14
7.3 Animated icons 14
7.4 Dynamic icons 14

8 Consistency 15

9 Orientation 15

Annex A (informative) Examples of graphical symbols adapted as icons 17

Annex B (informative) Design guidelines for new icons 20
