Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Specifications 7

Annex A (informative) Information on the correction values for hearing threshold levels with different repetition rates and using head and torso measurements 10

Annex B (informative) Head and torso measurements on clicks 11

Annex C (informative) Notes on the derivation of the reference hearing threshold levels for clicks and tone-bursts 12
