Iron ores - Determination of the moisture content of a lot

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 Principle 1

5 Apparatus 1

6 Samples 1

7 Procedure 2
7.1 Number of moisture measurements 2
7.2 Measurement 2

8 Verification 3

9 Calculation and expression of results 4
9.1 Test portion 4
9.2 Lot 4

10 Test report 5

Annex A (normative) Determination of moisture content of adhesive or wet iron ores 7

Annex B (normative) Corrections for sprinkled water and/or rainwater 9

Annex C (informative) Precision of moisture measurement 14

Annex D (informative) Examples of test reports 15
