DIN 988:2025-12 (E)

Shim rings and supporting rings

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Symbols and abbreviations 4

5 Dimensions and designation 5
5.1 General 5
5.2 Shim rings 6
5.3 Supporting rings 11

6 Technical delivery conditions 13
6.1 Material 13
6.2 Finish 13
6.3 Deflection 13

Figures

Figure 1 — Application example for shim rings 5

Figure 2 — Application example for supporting rings 5

Figure 3 — Application example for shim rings in combination with supporting rings 6

Figure 4 — Dimensions of a shim and supporting ring 6

Figure 5 — Deflection under axial load 14

Tables

Table 1 — Dimensions and mass of shim rings 7

Table 2 — Dimensions and mass of supporting rings 11

Table 3 — Shim rings: test force and allowable deflection 14

Table 4 — Supporting rings: test force and allowable deflection 14
