Foreword 3

Introduction 4

1 Scope 5

2 Normative references 6

3 Terms and definitions, symbols and abbreviated terms 7

4 List of significant hazards 11

5 Requirements 14
5.1 Safety requirements and/or protective measures - Verifications 14
5.1.1 General requirements 14
5.1.2 Body 19
5.1.3 Electrical equipment 27
5.1.4 Operating and control instruments - Control system 28
5.1.5 Noise 29
5.1.6 Mechanical coupling 29
5.1.7 Breakdown and towing 30
5.2 Performance requirements - Verification 30
5.2.1 General performance requirements 30
5.2.2 Body 34
5.2.3 Electrical equipment 37
5.2.4 Operating and control instruments 38
5.2.5 Corrosion resistance 38

6 Information for use 39
6.1 General 39
6.2 Instruction handbook 39
6.3 Documents 41
6.4 Marking 41
6.4.1 General 41
6.4.2 Other markings 41

Annex A (normative) General conditions for the verification procedures 42

Annex B (informative) Example of an exhaust coupling 43

Annex C (informative) Different methods of determining levels of slip-resistance 44

Annex D (informative) Removal heights from equipment lockers 45

Annex E (informative) Examples of technical measures for noise reduction 46

Annex F (normative) Noise test code for the noise emission values declaration (Grade 2 of accuracy) 47

Annex G (informative) Acceptance test on delivery 52

Annex H (informative) Conformity assessment **53**

Annex ZA (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 98/37/EC **54**

Annex ZB (informative) Relationship between this European Standard and the Essential Requirements of EU Directive 2006/42/EC **55**

Bibliography **56**
