

ISO 17484-2:2009-01 (E)

Plastics piping systems - Multilayer pipe systems for indoor gas installations - Part 2: Code of practice

Contents		Page
Foreword		iv
Introduction		v
1	Scope	1
2	Normative references	1
3	Terms and definitions	1
4	Design	2
4.1	Reference to installation standards	2
4.2	Pipework components	2
5	Location of pipework	2
5.1	General requirements for location of pipework	2
5.2	Protection in case of fire	3
5.3	Additional safety devices	3
6	Materials and components	3
7	Construction	4
8	Jointing procedures	4
8.1	General	4
8.2	Installation process	5
9	Pressure testing and commissioning	5
9.1	General recommendations	5
9.2	Recommendations relating to the safety of persons and property during testing	5
9.3	Tightness testing	5
9.4	Test fluids	6
9.5	Test conditions	6
9.6	Strength testing	6
10	Storage and handling	7
10.1	General	7
10.2	Storage	7
10.3	Handling	7
