

ISO 17484-2:2009-01 (E)

Plastics piping systems - Multilayer pipe systems for indoor gas installations - Part 2: Code of practice

Contents	Page
Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	1
3 Terms and definitions	1
4 Design	2
4.1 Reference to installation standards	2
4.2 Pipework components	2
5 Location of pipework	2
5.1 General requirements for location of pipework	2
5.2 Protection in case of fire	3
5.3 Additional safety devices	3
6 Materials and components	3
7 Construction	4
8 Jointing procedures	4
8.1 General	4
8.2 Installation process	5
9 Pressure testing and commissioning	5
9.1 General recommendations	5
9.2 Recommendations relating to the safety of persons and property during testing	5
9.3 Tightness testing	5
9.4 Test fluids	6
9.5 Test conditions	6
9.6 Strength testing	6
10 Storage and handling	7
10.1 General	7
10.2 Storage	7
10.3 Handling	7
Bibliography	8
