Foreword iv

1 Scope 1

2 Terms and definitions 1

3 Principle 2
3.1 General 2
3.2 Method A 3
3.3 Method B 3
3.4 Methods C, D and E 3
3.5 Method F 3

4 Apparatus 3
4.1 For method A 3
4.2 For method B 5
4.3 For method C 6
4.4 For method D 6
4.5 For method E 6
4.6 For method F 7

5 Test pieces 8
5.1 For method A 8
5.2 For method B 8
5.3 For method C 9
5.4 For method D 10
5.5 For method E 11
5.6 For method F 12
5.7 Number of test pieces 13

6 Conditioning 14

7 Test temperature 14

8 Procedure 14
8.1 For method A 14
8.2 For method B 14
8.3 For method C 15
8.4 For method D 15
8.5 For method E 15
8.6 For method F 15

9 Calculation 16
9.1 For method A 16
9.2 For method B 16
9.3 For methods C, D and E 17
9.4 For method F 17

10 Test report 17
