

# DIN EN 15977:2011-05 (E)

## Rubber or plastic coated fabrics - Mechanical properties - Determination of the elongation under load and the residual deformation

---

<b>Contents</b>		<b>Page</b>
Foreword .....		3
Introduction .....		4
1 <b>Scope</b> .....		5
2 <b>Normative references</b> .....		5
3 <b>Principle</b> .....		5
4 <b>Apparatus</b> .....		5
5 <b>Preparation of test specimens</b> .....		6
6 <b>Mechanical loading test</b> .....		6
7 <b>Residual deformation after heat exposure and mechanical loading (optional)</b> .....		7
8 <b>Calculation</b> .....		8
9 <b>Test report</b> .....		8
