DIN EN ISO 4589-2:2017-11 (E)

Plastics - Determination of burning behaviour by oxygen index - Part 2: Ambient-temperature test (ISO 4589-2:2017)

Contents

Page

Foreword 5

Annex B (normative) Calculation of volume fraction of oxygen 28

Annex C (informative) Typical test results sheet 29

Annex D (informative) Results obtained by interlaboratory trials on type VI specimens 31

Annex E (informative) Precision data obtained from an interlaboratory trial carried out in 1978-1980 32

Bibliography 33

Annex A (normative) Calibration of equipment 26
