

# DIN EN 1081:2019-03 (E)

## Resilient, laminate and modular multilayer floor coverings - Determination of the electrical resistance

---

<b>Contents</b>		<b>Page</b>
European foreword .....		3
1	Scope.....	4
2	Normative references.....	4
3	Terms and definitions.....	4
4	Sampling.....	5
5	Apparatus and reagents .....	5
6	Method A — For vertical resistance, R1.....	7
7	Method B - For resistance to earth, R2 .....	8
8	Method C for surface resistance, R3.....	9
9	Calculation and expression of results .....	10
10	Test report.....	11
