

ISO/TR 10358:2021-06 (E)

Plastics pipes and fittings for industrial applications - Collection of data on combined chemical-resistance

Contents	Page
Foreword.....	iv
Introduction.....	vi
1 Scope.....	1
2 Normative references.....	2
3 Terms and definitions	2
4 Symbols used to describe the fluids	2
5 Chemical resistance classification	3
5.1 General.....	3
5.2 Procedure	4
5.3 Performances	4
Bibliography	215
