

ISO 4076:2025-04 (E)

Polyphenylsulfone (PPSU) - Effect of time and temperature on expected strength

Contents

Page

Foreword.....iv

Introductionv

1 Scope..... 1

2 Normative references 1

3 Terms and definitions 1

4 Basic formulae..... 1

5 Expected strength..... 2

 5.1 Extrapolation limits.....2

 5.2 Graphical representation2

 5.3 Tabulated values4

6 Demonstrating conformance..... 5

7 Derivation of wall thickness..... 5

Annex A (normative) Demonstrating conformance to the reference lines..... 6

Annex B (informative) Derivation of $S_{calc,max}$ values..... 7

Bibliography..... 10
