Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 Apparatus 2
4.1 Type F ISO mould 2
4.2 Injection-moulding machine 4

5 Procedure 4
5.1 Conditioning of material 4
5.2 Injection moulding 4
5.3 Preparation of test specimen 5

6 Report on test specimen preparation 5

Annex A (normative) Preparation of test specimens 6
