## Photometry - Part 7: Classification of illuminance meters and luminance meters

---

Contents	Page
Foreword .....	3
1 Scope .....	4
2 Normative references .....	4
3 Terms and definitions.....	4
4 Photometer classification.....	5
4.1 Calculation of the total characteristic .....	5
4.1.1 General .....	5
4.1.2 Calculation of the total characteristic of illuminance meters .....	5
4.1.3 Calculation of the total characteristic of luminance meters.....	5
4.2 Classification of photometers .....	6
4.3 Class assignment of a photometer.....	6
5 Class limits for classification .....	6
6 Class selection of a photometer.....	9
6.1 Measurement uncertainty and class.....	9
6.2 Laboratory measurements.....	9
6.3 Field measurements .....	9
