European foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 5

4 Dimensions 7

5 Basic safety and performance objectives 7

6 Materials 8
6.1 General requirements 8
6.2 Protective barrier 8
6.3 Sash 9

7 Safety requirements 9
7.1 General requirements 9
7.2 Construction 9
7.2.1 General 9
7.2.2 Workspace 9
7.2.3 Work surface 10
7.2.4 Base 11
7.2.5 Side walls 11
7.2.6 Protective barrier 12
7.2.7 Sash 12
7.2.8 Abatement system 12

8 Test methods 12
8.1 Type testing and onsite testing 12
8.2 Exhaust/extract air abatement system 14
8.3 Variable air volume control 14

9 Type test performance requirements 14

10 Services 14
10.1 General 14
10.2 Drainage 15
10.3 Liquids/water/cooling water 15
10.4 Electric sockets 15

11 User manual 15

12 Marking and labelling 15

13 Declaration of conformity 16
