

DIN EN 14175-8:2022-09 (E)

Fume cupboards - Part 8: Fume cupboards for work with radioactive materials

Contents		Page
European foreword		3
Introduction		4
1	Scope	5
2	Normative references	5
3	Terms and definitions	5
4	Dimensions	7
5	Basic safety and performance objectives	7
6	Materials	8
6.1	General requirements	8
6.2	Protective barrier	8
6.3	Sash	9
7	Safety requirements	9
7.1	General requirements	9
7.2	Construction	9
7.2.1	General	9
7.2.2	Workspace	9
7.2.3	Work surface	10
7.2.4	Base	11
7.2.5	Side walls	11
7.2.6	Protective barrier	12
7.2.7	Sash	12
7.2.8	Abatement system	12
8	Test methods	12
8.1	Type testing and onsite testing	12
8.2	Exhaust/extract air abatement system	14
8.3	Variable air volume control	14
9	Type test performance requirements	14
10	Services	14
10.1	General	14
10.2	Drainage	15
10.3	Liquids/water/cooling water	15
10.4	Electric sockets	15
11	User manual	15
12	Marking and labelling	15
13	Declaration of conformity	16
