DIN EN 1715-4:2008-07 (E)

Aluminium and aluminium alloys - Drawing stock - Part 4: Specific requirements for welding applications

Contents

Page

Foreword 3

1 Scope 5

2 Normative references 5

3 Requirements 5
3.1 Chemical composition 5
3.2 Temper for delivery 6

4 Product inspection and testing methods 7
4.1 Chemical composition 7
4.2 Mechanical properties 7

5 Delivery documents and inspection documents 7

6 Marking and packaging 7
