

DIN EN 1715-4:2008-07 (E)

Aluminium and aluminium alloys - Drawing stock - Part 4: Specific requirements for welding applications

Contents		Page
Foreword		3
1	Scope	5
2	Normative references	5
3	Requirements	5
3.1	Chemical composition	5
3.2	Temper for delivery	6
4	Product inspection and testing methods	7
4.1	Chemical composition	7
4.2	Mechanical properties	7
5	Delivery documents and inspection documents	7
6	Marking and packaging	7
