DIN 17744:2020-12 (E)

Wrought nickel alloys with molybdenum and chromium - Chemical composition

Contents

Page

Foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 Designation 4

5 Chemical composition 4

6 Forms supplied 5

7 Analysis of chemical composition 5

8 Rounding of results 5

Bibliography 9

Tables Table 1 -- Chemical composition of nickel alloys 6

Table 2 -- Forms of nickel alloys supplied 8
