

DIN 17744:2020-12 (E)

Wrought nickel alloys with molybdenum and chromium - Chemical composition

Contents		Page
Foreword		3
1 Scope		4
2 Normative references		4
3 Terms and definitions		4
4 Designation		4
5 Chemical composition		4
6 Forms supplied		5
7 Analysis of chemical composition		5
8 Rounding of results		5
Bibliography		9
Tables Table 1 -- Chemical composition of nickel alloys		6
Table 2 -- Forms of nickel alloys supplied		8
