

DIN 17850:2023-10 (E)

Titanium - Chemical composition

Contents		Page
Foreword		3
1	Scope	4
2	Normative references	4
3	Terms and definitions	4
4	Designation	4
5	Chemical composition	4
5.1	Ladle analysis	4
5.2	Product analysis	5
6	Semi-finished products	5
7	Analysis of chemical composition	6
Bibliography		7
Tables Table 1 -- Chemical composition of titanium as determined by ladle analysis		5
Table 2 -- Tolerances in the product analysis for the limit values specified in Table 1 for the ladle analysis		5
Table 3 -- Semi-finished products		6
