ISO 7819:2025-11 (E)

Lithium - Vocabulary

Contents

Page

Foreword ... **iv**

Introduction ... **v**

1 Scope ... **1**

2 Normative references ... **1**

3 Terms and definitions ... **1**

3.1 Generic concepts ... 1
3.2 Concepts related to lithium minerals ... 5
3.3 Concepts related to lithium metal ... 7
3.4 Concepts related to lithium compounds ... 8
3.5 Concepts related to lithium alloys ... 9
3.6 Concepts related to lithium scrap recycling ... 10

Annex A (Informative) **Lithium cathode and anode active materials** ... **12**

Annex B (Informative) **Common simple forms of lithium metal** ... **13**

Annex C (Informative) **Common simple lithium compounds** ... **15**

Bibliography ... **17**

Index ... **18**
