## Zinc and zinc alloys - Method of sampling - Specifications

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
1	Scope .....	1
2	Normative references .....	1
3	Terms and definitions .....	1
4	Principle .....	2
5	Apparatus .....	2
6	Identification of samples and preparation of test piece .....	2
6.1	Identification .....	2
6.2	Preparation .....	2
7	Procedure .....	2
7.1	Frequency of sampling during casting .....	2
7.2	Cast products .....	2
Annex A (normative) Sampling of ingots with a weight equal to or less than 30 kg .....		3
