

DIN EN 14935:2006-09 (E)

Copper and copper alloys - Determination of impurities in pure copper - ET AAS method

Contents		Page
Foreword		3
1 Scope		4
2 Normative references		4
3 Principle		5
4 Reagents and materials		5
5 Apparatus		9
6 Sampling		9
7 Procedure		10
8 Expression of results		15
9 Precision		16
10 Test report		17
Annex A (informative) Matrix modifiers		18
Bibliography		19
