Foreword 3

1 Scope 5

2 Normative references 5

3 Terms and definitions, symbols and abbreviations 5
3.1 Terms and definitions 5
3.2 Symbols and abbreviations 5

4 Principle 5

5 Apparatus 5
5.1 Rail 5
5.2 Water 6
5.3 Spray equipment 6
5.4 Electricity supply 6
5.5 Instruments 6
5.6 Water collection and re-cycling equipment 6

6 Test specimens (reference method) 6

7 Procedure (reference method) 7

8 Test specimens - Alternative method 9

9 Procedure - Alternative method 9

10 Calculations 9

11 Test report 9

Annex A (informative) Resistance/time plot 10
