ISO 22074-3:2021 (E)

Railway infrastructure — Rail fastening systems — Part 3: Proof load test method for pull-out resistance

Contents

Foreword

1 Scope

2 Normative references

3 Terms and definitions

4 Principle

5 Apparatus

6 Test specimens

6.1 Rail support
6.2 Fastening components

7 Procedure

7.1 Preparation for test
7.2 Loading and measurement of force
7.3 Inspection

8 Test report
