## Railway applications - Driving simulator for drivers' training

---

| <b>Contents</b>    |   | <b>Page</b> |
|--------------------|---|-------------|
| Foreword .....     |   | v           |
| Introduction ..... |   | vi          |
| <b>1</b>           | <b>Scope .....</b>  | <b>1</b>    |
| <b>2</b>           | <b>Normative references .....</b>   | <b>1</b>    |
| <b>3</b>           | <b>Terms and definitions .....</b>  | <b>1</b>    |
| 3.1                | General .....   | 1           |
| 3.2                | Actors .....  | 1           |
| 3.3                | Training functions and training states .....                                  | 2           |
| 3.4                | Simulated items .....   | 3           |
| 3.5                | Visual characteristics and functions .....                                    | 4           |
| 3.6                | Simulator items .....   | 5           |
| <b>4</b>           | <b>Conceptual considerations for simulator .....</b>                          | <b>5</b>    |
| 4.1                | General .....   | 5           |
| 4.2                | Purpose of simulator .....  | 6           |
| 4.3                | Classification of simulators .....  | 6           |
| 4.4                | Simulator operating modes .....   | 8           |
| 4.4.1              | General .....   | 8           |
| 4.4.2              | Training mode .....   | 8           |
| 4.4.3              | Supporting mode .....   | 10          |
| 4.5                | Simulated guided transport system and environment .....                       | 11          |
| 4.5.1              | General .....   | 11          |
| 4.5.2              | Simulated train .....   | 11          |
| 4.5.3              | Simulated line and environment .....  | 11          |
| <b>5</b>           | <b>Required functions and performance for training mode .....</b>             | <b>12</b>   |
| 5.1                | General .....   | 12          |
| 5.2                | Simulated guided transport system and environment .....                       | 12          |
| 5.2.1              | Simulated train .....   | 12          |
| 5.2.2              | Controlled trains and automatic managed trains .....                          | 13          |
| 5.2.3              | Simulated line and environment .....  | 13          |
| 5.3                | Perception .....  | 15          |
| 5.3.1              | General .....   | 15          |
| 5.3.2              | Visual system .....   | 15          |
| 5.3.3              | Sound .....   | 17          |
| 5.3.4              | Motion .....  | 18          |
| 5.4                | Control and monitor including training scenario .....                         | 18          |
| 5.4.1              | General .....   | 18          |
| 5.4.2              | Control and monitor .....   | 18          |
| 5.4.3              | Training scenario .....   | 20          |
| <b>6</b>           | <b>Required functions and performance for supporting mode .....</b>           | <b>21</b>   |
| 6.1                | General .....   | 21          |
| 6.2                | Training administration (training scenario editor, line editor, others) ..... | 22          |
| 6.2.1              | General .....   | 22          |
| 6.2.2              | Training scenario editor .....  | 22          |
| 6.2.3              | Line editor .....   | 23          |
| 6.2.4              | Others .....  | 23          |

|       |   |    |
|-------|---|----|
| 6.3   | Maintenance administration .....  | 23 |
| 6.3.1 | General .....   | 23 |
| 6.3.2 | Minimum requirements .....  | 24 |
| 6.3.3 | Best practice options .....   | 24 |
| 7     | Required functions and performance for computer system and auxiliary simulator<br>equipment ..... | 24 |
| 7.1   | General .....   | 24 |
| 7.2   | Computer system .....   | 24 |
| 7.2.1 | Minimum requirements .....  | 24 |
| 7.2.2 | Best practice options .....   | 25 |
| 7.3   | Interfaces .....  | 25 |
| 7.3.1 | Internal interfaces .....   | 25 |
| 7.3.2 | External interfaces .....   | 25 |
| 7.4   | Auxiliary simulator equipment .....   | 26 |
| 7.4.1 | Minimum requirements .....  | 26 |
| 7.4.2 | Best practice options .....   | 26 |
| 8     | Requirements for simulator installation .....   | 26 |
| 8.1   | General .....   | 26 |
| 8.2   | Minimum requirements .....  | 26 |
| 8.3   | Best practice options .....   | 27 |
| 9     | Maintainability .....   | 27 |
| 9.1   | General .....   | 27 |
| 9.2   | Minimum requirements .....  | 27 |
| 9.3   | Best practice options .....   | 27 |
| 10    | Data and documents for simulation .....   | 27 |
| 10.1  | General .....   | 27 |
| 10.2  | Minimum requirements .....  | 27 |
| 10.3  | Best practice options .....   | 28 |
|       | Annex A (informative) Reviews .....   | 29 |
|       | Annex B (informative) Acceptance tests .....  | 30 |
|       | Annex C (informative) Documents .....   | 31 |
|       | Annex D (informative) Training for use and maintenance .....                                      | 32 |
