European foreword 3

1 Scope 4

2 Normative references 4

3 Terms and definitions 4

4 General 5
4.1 Description of vacuum 5
4.2 Description of controlled emission toilet systems 5

5 Requirements 5
5.1 General requirements 5
5.2 Vehicle requirements 7
5.2.1 Connections 7
5.2.2 System design 10
5.2.3 Temperature of operation 11
5.2.4 Pipework 11
5.2.5 Retention tank 12
5.2.6 Venting system 14
5.2.7 Sink waste 15
5.2.8 Test for leakage 15
5.3 Infrastructure requirements 15
5.3.1 General 15
5.3.2 System design 15
5.3.3 Connection 15
5.3.4 Flushing 15
5.3.5 Breakaway coupling 16
5.3.6 Pipework 16
5.3.7 Chemical storage 16
5.4 Information and instruction 16
5.4.1 For railway vehicles 16
5.4.2 For fixed installations (this includes mobile ground based installations) 16

Annex A (informative) Generic types of toilet retention systems 17
