Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 2

4 Pressure/temperature ratings 3

5 Design 3
5.1 Body wall thickness 3
5.2 Lining and seat materials 4
5.3 Liner anchoring 4
5.4 Minimum lining thickness 4
5.5 Shaft 4
5.6 Dimension and tolerances of body ends 4
5.6.1 Dimensions of flanges 4
5.6.2 Face-to-face dimensions 4
5.6.3 Flange facing type and dimension 4

6 Marking 5

7 Inspection and testing 6
7.1 Lining test 6
7.1.1 Visual inspection 6
7.1.2 Porosity test 6
7.1.3 Anti-static test 6
7.2 Pressure test 6
7.3 Allowable closure test leakage rate 6
7.4 Additional examination 6
