Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Terms and definitions 1

4 General conditions 1

5 Principle 2

6 Reference system 3

7 Variables 3

8 Measuring equipment 4

9 Test conditions 4

10 Step input 5

11 Sinusoidal input -- one period (see ISO/TR 8725) 7

12 Random input (see ISO/TR 8726) 9

13 Pulse input 11

14 Continuous sinusoidal input 12

Annex A (normative) Test report -- General data 14

Annex B (normative) Test report -- Presentation of results 16
