## Intelligent Transport Systems - Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	2
3	Terms and definitions .....	2
4	Abbreviated terms .....	2
5	Interface protocol for traffic controller .....	3
5.1	Relationship to other standards .....	3
5.2	Identification detector index .....	3
5.3	Detector classification .....	4
6	Interface messages for traffic signal controller .....	5
6.1	General frame structure .....	5
6.2	Detector information messages structure .....	7
Annex A (normative) Interface Protocol Message Set Definition between Traffic Signal Controllers and Detectors data structure and data type definition .....		16
Annex B (informative) Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors implementation example .....		23
Bibliography .....		25
