Intelligent Transport Systems - Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors

Contents	Page
Foreword	iv
Introduction	v
1 Scope	1
2 Normative references	2
3 Terms and definitions	2
4 Abbreviated terms	2
5 Interface protocol for traffic controller	3
5.1 Relationship to other standards	3
5.2 Identification detector index	3
5.3 Detector classification	4
6 Interface messages for traffic signal controller	5
6.1 General frame structure	5
6.2 Detector information messages structure	7
Annex A (normative) Interface Protocol Message Set Definition between Traffic Signal Controllers and Detectors data structure and data type definition	16
Annex B (informative) Interface Protocol and Message Set Definition between Traffic Signal Controllers and Detectors implementation example	23
Bibliography	25
