## Electronic fee collection - Interface definition for on-board account using integrated circuit card (ICC)

---

<b>Contents</b>		<b>Page</b>
Foreword .....		iv
Introduction .....		v
1	Scope .....	1
2	Normative references .....	2
3	Terms and definitions .....	2
4	Abbreviations .....	6
5	Data transfer model .....	6
5.1	Overview .....	6
5.2	Symbols .....	7
5.3	Transparent type .....	7
5.4	Caching type .....	8
5.5	Buffering type .....	9
6	Interface definition for ICC access .....	10
6.1	Transparent type .....	10
6.2	Caching type .....	11
6.3	Buffering type .....	12
Annex A (informative) On-board account requirements .....		14
Annex B (informative) Example of an ICC access method .....		16
Annex C (informative) Interoperability relation with other sectors .....		31
Bibliography .....		33
