Foreword 3

Introduction 4

1 Scope 5

2 Normative references 5

3 Terms and definitions 7

4 Symbols and abbreviations 7

5 Conformance 8

6 General considerations for fare media and contactless readers 8
6.1 Combining the present requirements with others industry standards 8
6.2 Progressive and flexible approach to the targeted interoperability 9

7 Requirements on contactless readers 9
7.1 General 9
7.2 Categories for contactless reader 10
7.3 Normative requirements for contactless readers 10
7.4 Specific requirements for contactless readers 11
7.5 Requirements on polling and recognizing contactless objects 11
7.6 Performance requirements (informative) 13

8 Requirements on contactless objects 13
8.1 General 13
8.2 Normative requirements for contactless objects 13
8.3 Specific requirements for contactless objects 13
8.4 Requirements concerning field ramp-ups and shut-offs 14
8.5 Performance requirements (informative) 14

9 Test boundaries and test conditions 14
9.1 Implementation characteristics 14
9.2 Test conditions 18

Annex A (informative) Examples of PICC polling scenarios 28

A.1 Examples of generic polling scenarios 28
A.2 Examples of specific polling scenarios 29
