ISO 24195:2022-03 (E)

Road vehicles - Vocabulary and characteristics for engineering of starting devices

Contents

Page

Foreword iv

Introduction v

1 Scope 1

2 Normative references 1

3 Termsanddefinitions 1

4 General characteristics of the starter motor 5
4.1 General 5
4.2 Starter motor components 5
4.3 Starter motor functions 6
4.4 Starting parameters 6

5 Special characteristics of the starter motor 7
5.1 General 7
5.2 Magnetic field 7
5.3 Starting performance 8
5.4 Energy consumption 9
