|--------------------|--|-------------|
| Foreword .....     |  | v           |
| Introduction ..... |  | vi          |
| 1                  | Scope .....  | 1           |
| 2                  | Normative references .....                               | 1           |
| 3                  | Terms and definitions .....                              | 1           |
| 3.1                | General terminology .....                                | 1           |
| 3.2                | Terms related to the software update operation .....     | 5           |
| 4                  | Organizational level .....                               | 5           |
| 4.1                | Objectives .....   | 5           |
| 4.2                | General .....  | 5           |
| 4.3                | Requirements and recommendations .....                   | 6           |
| 4.3.1              | Governance .....   | 6           |
| 4.3.2              | Continuous improvement .....                             | 6           |
| 4.3.3              | Information sharing .....                                | 6           |
| 4.3.4              | Supporting processes .....                               | 7           |
| 4.3.5              | Auditing .....   | 8           |
| 4.4                | Work products .....                                      | 8           |
| 5                  | Project level .....                                      | 8           |
| 5.1                | Objectives .....   | 8           |
| 5.2                | General .....  | 8           |
| 5.3                | Requirements and recommendations .....                   | 9           |
| 5.3.1              | Project management .....                                 | 9           |
| 5.3.2              | Tailoring and rationale .....                            | 9           |
| 5.3.3              | Interoperability .....                                   | 9           |
| 5.3.4              | Integrity .....  | 10          |
| 5.4                | Work products .....                                      | 10          |
| 6                  | Infrastructure level .....                               | 10          |
| 6.1                | Objectives .....   | 10          |
| 6.2                | General .....  | 10          |
| 6.3                | Requirements and recommendations .....                   | 11          |
| 6.3.1              | Managing risk .....                                      | 11          |
| 6.3.2              | Managing vehicle configuration information .....         | 11          |
| 6.3.3              | Communicating software update campaign information ..... | 11          |
| 6.3.4              | Processing software update packages .....                | 12          |
| 6.4                | Work products .....                                      | 12          |
| 7                  | Vehicle and vehicle systems level .....                  | 13          |
| 7.1                | Objectives .....   | 13          |
| 7.2                | General .....  | 13          |
| 7.3                | Requirements and recommendations .....                   | 13          |
| 7.3.1              | Managing risks .....                                     | 13          |
| 7.3.2              | Managing vehicle configuration information .....         | 14          |
| 7.3.3              | Communicating software update campaign information ..... | 14          |
| 7.3.4              | Processing software update packages .....                | 14          |
| 7.4                | Work products .....                                      | 16          |

|       |  |    |
|-------|--|----|
| 8     | Software update package .....  | 16 |
| 8.1   | Objectives .....   | 16 |
| 8.2   | General .....  | 17 |
| 8.3   | Requirements and recommendations .....   | 17 |
| 8.3.1 | Identification of targets and the contents for the software update package ..... | 17 |
| 8.3.2 | Assembly of the software update package .....                                    | 18 |
| 8.3.3 | Verification and validation of the software update package .....                 | 18 |
| 8.3.4 | Approval for release of the software update package .....                        | 18 |
| 8.4   | Work products .....  | 19 |
| 9     | Software update campaign .....   | 19 |
| 9.1   | Objectives .....   | 19 |
| 9.2   | General .....  | 19 |
| 9.3   | Requirements and recommendations .....   | 19 |
| 9.3.1 | Software update campaign preparation .....                                       | 19 |
| 9.3.2 | Software update campaign execution .....   | 21 |
| 9.3.3 | Software update campaign completion .....  | 23 |
| 9.4   | Work products .....  | 23 |
|       | Bibliography .....   | 24 |
