## Freight containers - NFC or/and QR code seals

## Contents

Page

Foreword ..... iv

Introduction ..... v

1 Scope ..... 1

2 Normative references ..... 1

3 Termsanddefinitions ..... 1

4 Freight container -- NFC or/and QR code seals ..... 2
4.1 General requirements ..... 2
4.2 Data format and content of NFC seal ..... 2
4.3 Data format and content of QR code seal ..... 3
4.4 Data format and content of NFC and QR code seal ..... 3
4.5 Requirements for the communication interface between NFC seal and NFC read/ write device ..... 3
4.6 Requirements of QR code printing and reading ..... 4

5 NFC or/and QR code seal system for freight containers ..... 4
5.1 System components ..... 4
5.2 General requirements ..... 4

6 NFC read/write device and QR code read device ..... 5
6.1 General requirements ..... 5
6.2 Content and format of data interaction ..... 5

7 Information management platform ..... 6
7.1 General requirements ..... 6
7.2 Content and format of the data interaction interface ..... 6
7.3 Extensions ..... 7

8 Operation requirements ..... 7
8.1 Operation at sealing point ..... 7
8.2 Operation at unsealing point ..... 7
8.3 Operation during transportation ..... 8
8.4 Abnormality reporting ..... 8
8.5 Authenticity verification of NFC and QR code seal ..... 8
